DALEVILLE BRANCH CLOSING

JANUARY 12, 2018

Effective January 12, 2018, the Daleville office located at 467 S. Daleville Avenue will close. It was a difficult decision; however, after much analysis, we have determined that it is in the best interest of IAM Community Federal Credit Union. The Daleville office has experienced many challenges including location and declining transaction volume.

For 53 years, IAM Community FCU has served our members by providing competitive products and services. Because of this, we are a strong, solid financial institution today. We constantly endeavor to use our members' resources wisely, make sound decisions, and run our operations as efficiently as possible.

We realize the impact this will have on members who visit the Daleville office; however, our full-service ATM will remain open at the Daleville location. This ATM accepts deposits of cash and checks and is very easy to use. We also offer our convenient Mobile Banking App with the helpful Mobile Deposit feature. Simply snap a photo of the front and back of your check to have it deposited into your account. The main office located at 1108 Boll Weevil Circle in Enterprise will be fully staffed and ready to serve your financial needs as well. Transactions and loan applications can also be completed through our Online Banking system at www.iamcfcu.com.

Thank you for your membership and continued business. To learn more about the many ways we may continue to serve you and to obtain a listing of surcharge-free ATMs in the area, please visit us online at www.iamcfcu.com. We look forward to serving you in the future.

Sincerely,

Frank Garrett
